1. Pursuant to Rule 31 (B) of the Rules of Procedure and Evidence of the Mechanism for International Criminal Tribunals (“Mechanism”), and further to the Single Judge’s “Decision on Request for Translation”, dated 28 October 2014 (“Decision”), the Registrar makes the following submission.
2. In the Decision, the Single Judge instructed the Registry of the Mechanism to liaise with the Registry of the International Criminal Tribunal for Rwanda (“ICTR”), in order to ensure that the French translation of the “Decision on Request for Review”, issued by the ICTR Appeals Chamber on 29 May 2013 in the case of *Juvénal Kajelijeli v. The Prosecutor*, Case No. ICTR-98-44A-R (“Decision of 29 May 2013”), was served on Mr. Kajelijeli without delay. The Single Judge further instructed the Registry to report on the execution of the Decision by 18 November 2014.
3. The Registrar reports that the translation of the Decision of 29 May 2013 was completed and filed by the ICTR on 12 November 2014. On 13 November 2014, the Mechanism Registry transmitted the Decision of 29 May 2013 to the Prison Authorities of Akpro-Misséréte Prison, where Mr. Kajelijeli is serving his sentence of imprisonment. Mr. Kajelijeli was served with the Decision of 29 May 2013 on the same date.
4. The Registrar remains at the Single Judge’s disposal should further information be required.

Respectfully submitted,

John Hocking
